

Why an ASO when my company is with a PEO?

General

No Co-Employment

The inherent nature of a PEO is to protect themselves and their policies

Regain your company identity

Run your business YOUR way

Establish and maintain insurances and workers compensation policies in your name

Full Transparency

Payroll

Pay your actual SUTA rate

Employer taxes stop at actual federal and state limits

No more bundled and confusing invoices

Workers' Compensation

Control and operate under your E-MOD

Receive premium discounts your company deserves

Secure dividend checks your company earned

Allow ownership and management to waive coverage

Benefits

Choose the plan(s) that fits your organization

Receive rates for your group, not the PEO's client base

Tailor benefit packages to meet your needs and strategy

401(k) that is customizable for your company and employees
